I AM THE PRODUCT OF THE MICHAEL RAMOS ERRA WHERE DECEPTION, EGREGIOUS MISCONDUCTS, AND HIDE AND SEEK OCCURED WITH RELEVANT EVIDENCES, WHICH COERSE CREATIVE HANDLINGS OF VITAL EVIDENCES TO EMBELLISH HIS CONVICTION RATE

RE; ACCESS TO RELEVANT DISCOVERY MATERIALS PURSUANT TO P.C. § 1054.9
CASE NO.# FVI900518 DR. NO.# 1331036-07, #1331036-17
PEOPLE VS JOHN HENRY YABLONSKY

DEAR COUNTY DISTRICT ATTORNEY ANDERSON:

Dear sir, I am compelled to contact you with regards to evidentiary discovery within your possession, which support the travesty of injustice in my case, convicting the wrong person for this alleged murder which occurred in 1985 of Rita Mabel Cobb.

I have made numerous attempts to access the states entire record unsuccessfully. Three times before trial which only produced 3% of the states 5400 pages, before trial gave me 300 pages, telling me that was all this case had. After trial he gave me another 1200 pages, different than the first 300, and once again telling me that was all there was. After state bar complaint, public defender david sanders gave me another 1600 pages, different than the first three hundred, and than the second 1600, yet still not the states entire file.

None of the discovery provided by public defenders showed any chain of evidence records, nor did they have any records of whether or when the state processed all of the evidences for this case. Certainly this was an error, but one which may disclose discrepancies which may help me defend the miscarriage of justice I have suffered.

TRIAL COUNSEL INVESTIGATED NOTHING NOR PRESENTED ANY EVIDENCE AT TRIAL!!

I have since developed that there is more than 5400 pages to this case, and that BRADY as well as DECEPTIVE HANDLING of evidence is an issue which DEMANDS ATTENTION. I have had innocence projects help develop facts, and request access to certain DNA evidences without any success. These DNA evidences would prove that I was not the perpetrator of this crime which I was convicted.

I have recently moved certain bodies within the prosecutors class for access to these materials without addressing the Courts, informally asking for certain evidences which I believe are in your possession and have relevant materials indicating I am actually innocent.

One serious issue with the evidence is an audio recording which was captured by SBS Det. Alexander and transcribed on November 23, 2010, before trial. This evidence is not accurate, and indicates "DECEPTION" in the way of altered answers to specific questions and a complete REDACTION of custodial marker. I have hired an expert forensics audio technician who found the "PROPRIATORY" of that recording is 30 seconds longer than the mp3 version. That the proprietary version cannot be altered or opened for "AUTHENTICATION" purposes. I am attaching a copy of the experts analysis (REDACTING WHO THIS EXPERT IS) which will explain why access to these records are so valuable in the ability to provide justice into this case, where true justice was ignored by aggressive and creative prosecutions.

Respectfully;

John Henry Yablonsky

RE: DEMAND FOR ACCESS TO DISCOVERY PURSUANT TO P.C. § 1054.9
CASE #FVI900518 DR#1331036

Dear County District Attorney Anderson;

I am an inmate who was sentenced to life without the possibility of parole for a case which I am 100% innocent of. I have sought discovery from public defenders with little cooperation, and piece-mealed access that forced less than transparent disclosure. (GOVERNMENT CODE § 6068(m) (BRADY V MARYLAND))

*300 pages from the 5400 pages before trial 2009

*1300 pages after trial and before direct appeal 2012

*1600 pages after state bar complaint 2014

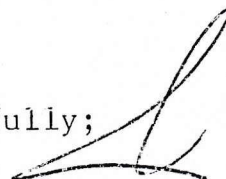

It was the deadline issues outlined by AEDPA and other statutes that forced the filing of collateral attacks, "WITHOUT" the full discovery to this case. Since my first petition filed in 2012, facts have developed "MISCONDUCTS" by your staff then, and Michael Ramos team of "COLD CASE INVESTIGATORS" prior to trial.

I am presenting your office with this demand for access to the states files, because the "LESS THAN FULL DISCLOSED" files have been removed from my possession, and I intend on attacking the integrity of this conviction. It is my belief that the demand is in proper format and intelligible. Please cooperate.

I have served what I believe are the appropriate parties for these records, and expect your office to cooperate with these requests to bring reasonable facts to the courts attention that existed prior to trial, but for some reason (MISCONDUCT) were withheld.

I am not a lawyer, nor do I have funds to hire one, and would appreciate your patience, and professionalism. Please see the attached demand for discovery which is informal at this time.

Respectfully;

9 L.W.O.P. INMATE DEMAND FOR DISCOVERY
PURSUANT TO P.C. § 1054.9/ CRIMINAL DISCOVERY ACT

10 RE: PEOPLE V JOHN HENRY YABLONSKY CASE #FVI900518
11 PURSUANT TO P.C. § 187 LIFE WITHOUT POSSIBILITY OF PAROLE SENTENCE

12 To Whom this concerns;

13
14 I am an inmate serving a life without parole sentence
15 for a crime which I did not commit, and choose to collaterally
16 attack the integrity of this travesty which resulted in a
miscarriage of justice in 2011 when a panel of jurists did not
know the facts within this request, which indicate innocence.

17 I sought full disclosure of the states discovery through
18 appointed counsel from the Victorville public defenders office.
The appointed counsel deliberately, recklessly withheld 97% of
the states files before the trial (5100 pages) sabotaging my ability
to participate in my defense.

- 19 1) On June 2009 300 pages were released from the 5400
20 pages within the evidence to this case. Counsel Sanders
told me that was the states entire file. (he lied)
- 21 2) I was then given another 1300 pages, different than
22 the first 300 pages by Mr Sanders and again told
this was the remainder of the states files. (HE LIED)
- 23 3) In June 2014 after being convicted for a crime which
24 I did not commit, filed state bar complaints against
25 public defender David sanders demanding the states
26 entire files. In July 2014 Sanders provided 1600
more pages, different than the first two releases,
and still not the entire file, telling me "that was
all there was to this case". (HE LIED ONCE MORE)

27 THERE ARE OVER 54000 PAGES TO THIS CASE!
ALONG WITH A COMPACT DISC OF AUDIO FROM AN INTERROGATION!

POINTS AND AUTHORITIES

Pursuant to the CRIMINAL DISCOVERY ACT prosecutors as well as state related persons, agencies have a duty to produce records related to defendants cases. The ACT reaches beyond mere requests;

- 1) The production of any and all materials, informations the prosecuting attorney actually possesses
- 2) The productions of materials and informations the investigating agencies actually possess, and/ or knows they possess in another location
- 3) The productions of materials and information they do not know they possess
- 4) The materials and informations that prosecutors and /or investigating agencies have reasonable access to

These requests reach all relevant real evidence seized, obtained as part of the investigations for the charged offense. These disclosures are covered by the Supreme Courts ruling (BRADY V MARYLAND 373 US 83[1963])(P.C. § 1054.1) The disclosure shall include evidence favorable to the defense that could hurt the prosecutions case.

(PEOPLE V EARP, 20 Cal.4th 826[1999]);(PEOPLE V MACIEL 57 Cal.4th 482[2013]) Evidence is favorable to the defense even if it is only minimal. (COMSTOCK V HUMPHRIES 786 f3d 701 [9th cir. 2015]) This duty to disclose includes "impeaching materials". (TURNER V UNITED STATES, 137 S.Ct. 1885[2017]);(STRICKLER V GREEN 527 US 263[1999])(SAME) (PEOPLE V WILLIAMS 58 Cal.4th 197[2013]);(PEOPLE V URIBE 162 Cal.app. 4th 1457[2008]) Evidence is favorable to either guilt or penalty phase of the trial. (IN RE BACIGALUPO 55 cal.4th 312[2012])

The duties to preserve include;

- 1) "NOT TO DESTROY"(ARIZONA V YOUNGBLOOD 488 US 51[1988]) (CALIFORNIA V TROMBETTA 467 US 479 [1984])

The ethical duties of the prosecutor include any electronically store information. (C.R.P.C. Rule 5-220)

1 These ethical cannons of the prosecutor require the prevention
2 of lawyers from supressing any evidnece the prosecutor has ethical
3 duties to reveal and produce. (RULE 3.4) (JONES V SUPERIOR COURT ,
4 26 Cal.app.4th 92[1994]) It also prohibits lawyers from misleading
5 behaviors. (RULE 3.4(b))(B&P§ 6068(d), 6106) (IN RE YOUNG 49 Cal.3d
6 257[1989]) These duties exceed beyond the constitutional command to
7 provide charged defendants, exceeding statutory obligations, and
8 have broader interpretations to include a matter of ethics during
9 habeas corpus proceedings. (PEOPLE V GARCIA 17 cal.app.4th 1169[1993]
10 (CITY OF LOS ANGELES V SUPERIOR COURT 29 cal.4th 1[2002])("THAT BRADY
11 MATERIALS SHALL BE DISCLOSED AFTER TRIAL")(EMPHASIS ADDED)

12 These ethical cannons "shall" include material evidence that
13 is favorable regardless of materiality. (CONE V BELL 556 US 449[2009])
14 In 2017 california amended it's rules of professional conduct to
15 impose upon prosecutors duty to disclose "ALL FAVORABLE EVIDENCE"
16 whether it tends to negate the guilt of the accused, mitigates the
17 offense sentence, regardless of materiality.(C.R.P.C.RULE 3.8(d)
18 Pursuant to P.C. § 1054.1 the prosecutor "shall" disclose to the
19 defendant all of the following materials, information, if it is in
20 the possession of the prosecuting attorney or the prosecuting attorney
21 knows it to be in the possession of the investigating agencies;

- 22 a) The names of all persons the prosecution intended on
 calling at trial.
- 23 b) Statements of the defendant (INCLUDE ALL COPIES RECORDED
- 24 c) The existance of all seized evidnece, or obtained as
25 part of the investigations of the charged offense.
- 26 d) The existance of any felony convictions of states wites
- 27 e) Any exculpatory evidnece (OR ITS LOCATIONS)
- 28 f) Relevant written or recorded statments of witnesses,
 or reports whom the prosecutor intends to call upon.

1 Pursuant to P.C. § 1054.9 the prosecutor has an obligation
2 to provide discovery to defendants whom have been sentenced to life
3 without the possibility of parole. This access "shall" include
4 "discovery materials" in the possession of the prosecuting attorney
5 and law enforcement agencies, to include "all" agencies who performed
6 investigatory services for the charged offense.

7
8
9 THERE IS GOOD CAUSE FOR THIS DEMAND

10 That Rita Mabel Cobb was strangled to death in her home
11 on or about September 20, 1985, just after she had left a friends
12 party a few hours earlier that Friday night. There were several sus-
13 pects in these investigations since the charged offense, to include;

- 14 1) Robert Mark Edwards (SENTENCED TO DEATH FOR TYPED SERIAL)
15 2) Joseph Saunders (who was noted as one of the last persons
16 to have seen Mrs Cobb alive on Friday September 20, 1985
17 when he arrived at her home a) uninvited b) was never
18 told where Mrs Cobb lived c) kept a journal about his
19 alleged relationship with Mrs Cobb d) left his fingerprint
20 at the scene of the crime e) had access to her home
21 f) knowledge of Mrs Cobbs habits g) had knowledge of her
22 home floor plan h) did not have an alibi)
23 3) Gregory Randolph (who's DNA was in a location where it
24 was not suppose to be. Two days after the murder he app-
25 roached SBSB in the Lucerne division telling deputies he
26 heard they were looking for his help solving the murders
27 when deputies had requested his help. This set interests
28 into Mr randolphs true intentions regarding this murder.
Deputies collected cigarette butts left behind by Randolph
for investigations. Mr Randolph stated it had been two
weeks since he was last at the Cobb residence, when his
vehicle had engine troubles. Mr Randolph some three years
later made confessions about killing Mrs Cobb. (1988)

1 Mr Randolphs confession was made at a drinking party where
2 his confession was interpreted as fact. After the aprty
3 these party goers called SanBernardino WE-TIP organizations
4 with details of Mr Randolphs confession at the party which
5 included;

- 6 a) That he met Mrs Cobb at the Zodiac Lounge on Friday
7 night. (THE SAME NIGHT SHE HAD BEEN KILLED)
- 8 b) That they went to her house and got into an argument
9 over Mrs Cobb being sexually turned off by Mr Randolph
- 10 c.) That he strangled her to death over this argument, until
11 she turned black
- 12 d) That he raped her afterwards.

13 The WE-TIP confession led to special investigations by
14 Detective carr from SBSB who initiated the evidences from
15 the Cobb murder scene to being processed (FINALLY THREE
16 YEARS AFTER THE CRIME SCENE EVIDENCE HAD BEEN COLLECTED)
17 As a result of this confession, detectives arrested Mr Ran-
18 dolph for the murder of rita Mabel Cobb in August 1988.
19 During this arrest Mr randolph revealed that he had been
20 employed as a SanBernardino County Cornoer. Sheriff detect-
21 ives later aler^ded Mr Randolphs behavior around female
22 homicide victims as peculiar.

23 As a result of the evidneces not being processed right
24 after collections from the murder scene, prosecutors were
25 forced into dismissing the complaint against Mr Randolph.
26 Some time later when DNA science began developing, it was
27 known that Mr Randolph committed suicide. During the invest-
28 igation of the suicide scene at Mr randolphs trailer the
29 detectives uncovered several trophies in the form of photo-
30 graphs. *MR RANDOLPHS DNA WAS RECOVERED FROM COBB CRIME SCENE*

- 31 4) Meryll Gibbs (Who committed a murder suicide crime against
32 his wife in the exact same manner which Mrs Cobb had been
33 killed, then killed himself)

34 Mr Yablonsky's DNA was found inside the cavity of Mrs Cobb,

35 and determined by two of the states leading experts that a) The
36 DNA matching Mr yablonsky was older than the murder by several days.
37 *(RT 317 - JONES - SEVERAL DAYS OLDER THAN THE MURDER)*

1 b) That the DNA inside the vaginal cavity of Mrs Cobb was as many
2 as more than one and a half full days before she had been killed.

(RT 419 - SARKEL - UP TO ONE AND HALF DAYS OLDER THAN THE MURDER)

3 c) That Mr Yablonsky's DNA was not located anywhere else on the vic-
4 tims body. (RT 317 - JONES - SEVERAL DAYS OLDER) (RT 419 - SARKEL - MORE THAN 1 1/2 DAYS OLDER)

5 d) THAT THERE IS NO PROOF YABLONSKY Raped MRS COBB

6 The prosecutor DDA John Thomas believed the DNA to be as
7 many as one week older then the crime of murder. The following
8 findings were made related to Mr yablonsky's DNA that was located
9 inside Mrs Cobb by several parties;

10 a) The trial counsel findings were that the DNA matching
11 Mr yablonsky was older than the crime of murder

12 b) The post trial conflict panelist attorney found the DNA
13 matching Mr yablonsky was not related to the murder.

14 c) The Court of appeals found during direct appeal that
15 the DNA matching Mr yablonsky was older than the crime
16 of murder by at least one and a half full days, adding,
17 "that Mrs Cobb could very well have met someone other
18 than the defendant in the parkinglot of the zodiac Lounge
19 and taken home and killed ""That Mr yablonsky could very
20 well have had sex with Mrs Cobb on Thursday, and been
21 killed by someone else some time later"

22 The defendant yablonsky was interrogated 25 years after
23 the crime had occured, while in front of his wife, children and mother
24 in law, regarding his personal relationship with Mrs Cobb, ~~and~~ As
25 a result of the surrounding circumstances of the interrogation
26 which included a) NO MIRANDA WAIVER b) The relationship between
27 defendant and Mrs Cobb was not related to a murder c) The family
28 surrounding the home during interrogation d) The officers were
on duty and from more than one policing agency, petitioner lied about
his carnal relationship when asked. The authentications process for
this recording was not preserved and altered by SBSB homicide detect-
ives.

1 Mr Yablonsky's DNA was not located on the following items
2 which indicate involvement with the crime of murder;

- 3 a) The murder weapon located around the victims neck
- 4 b) The watchband pin located beneath the victims head
- 5 c) The victims blood that had been smeared onto the bedroom
6 door jambs of the crime scene
- 7 d) No location on the victims body, outside the victims vaginal
8 cavity
- 9 e) Not underneath the victims body onthe bedding, sheets, or
10 confterer
- 11 f) (ET 317 "SEVERAL DAYS OLDER THAN MURDER") (ET 419 "MORE THAN 1/2 DAYS
12 OLDER THAN MURDER")

13 Mr yablonsky's fingerprints were not located insiode the
14 crime scene, or at the crime scene. Mr Yablonsky was in the city of
15 downey california from September 18 , 1985 until September 23, 1985
16 with family members at the time this crime of murder occured with;

- 17 a) Holly Mitchell Yablonsky (WIFE)
- 18 b) Linda Mitchell (MOTHER IN LAW)
- 19 c) Joy Mitchell (SISTER IN LAW)
- 20 d) Thomas Mullen (WIFES GRANDFATHER)
- 21 e) June Mullen (WIFES GRANDMOTHER)
- 22 f) Holly's uncle (MOTHERS BROTHER)
- 23 g) Holly's cousins

24 CRITICAL POINTS OF INTEREST

25 That the records to this crime were withheld by TRIAL.
26 counsel, until after direct appeal had been exhausted and state habeas
27 petitions filed. Sealing the trial record as a direct result of acts
28 by government bodies whose duties were to protect constitutional
interests of Mr yablonsky at all critical phases of the trial, for-
bidding Mr yablonsky from ever participating in his defense, or help
counsel during the fact development stages. The record is erroneous!

1 That as a direct result of trial counsels withholding
2 of these vital records that are material as to "WHO COMMITTED THIS
3 CRIME" my post trial attacks were deceptively hindered where facts
4 that existed prior to trial, fell silent upon the trial record,
5 during direct appeal, writ of habeas corpus collateral attacks upon
6 the wrongful conviction. That during post trial habeas filings in
7 state Court, DDA Eric Ferguson stated facts that did not exist in
8 real time, from this case, into the habeas petition case#WHCSS1200311.
9 Facts that petitioner could not at that time dispute because of
10 the "HIDDEN RECORDS" from this trial record, due to deliberate and
11 malicioius acts of government bodies.
