THE HONORABLE JUDGE JAMES TAYLOR

17 **TO: SANBERNARDINO COUNTY DISTRICT**
18 **ATTORNEY JASON ANDERSON**

19 If it pleases the court John Henry Yablonsky (PETITIONER) (JOHN) now moves
20 this court pursuant to PC1054 , 1054.9 asking this court to order the district attorney to produce
21 to the petitioner copies of the transcripts created by the district attorney office on January 26,
22 2011 text/ audio text transcripts of the March 8, 2009 interrogation, identified as states exhibits
23 49 (compact disc) and 49A (113 page text transcript) (RT 403:16, 455;8, 455;20) **THE**
24 **DISTRICT ATTORNEY FOR THE RECORD STATED THAT HE AND HE ALONE**
25 **WOULD BE CREATING THESE EXHIBITS FOR TRIAL PURPOSES !**
26
27

1 On January 26, 2011 during the trial, DDA John Thomas informed the court that he
2 would be "REDACTING" the people's evidence created on November 23, 2010 to create trial
3 exhibits 49 & 49A to be used on January 27, 2011. On January 27, 2011 the district attorney then
4 presented to this court transcripts he himself had been created from the March 8, 2009
5 interrogation DR#1331036-07 H100 85. On January 26, 2024 the district attorney Jason
6 Anderson presented to this court textual transcripts never seen by the jury, this court with
7 creation dates of November 23, 2011. When confronted by petitioner, on March 14, 2025 the
8 district attorney's office stated that the January 26, 2011 transcripts were unavailable.
9

10 On May 7, 2025 petitioner presented a report created by Naum Ware which proves
11 states exhibit 49A (113 page text) had been altered on November 23, 2010 and not January 26,
12 2011. That this evidence had been fraudulently altered, planting evidence into petitioners
13 possession. On September 29, 2025 GS MEDIA LAB submitted to this court a report regarding
14 the peoples exhibit 49 (3h 40m 3s audio transcript) which indicates that this evidence had been
15 technically destroyed, altered in such a way that it is legally unreliable and **IMPOSSIBLE TO**
16 **AUTHENTICATE!** The district attorney Jason Anderson has had numerous chances to correct
17 these fraudulent misconducts since the February 23, 2025 amending of the verified petition
18 pursuant to PC1172.6 "**WHICH INDICATES EVIDENTIARY ISSUES RELATED TO**
19 **THE PEOPLES CENTERPIECE EVIDENCE**". Because the peoples advocate heavily relies
20 on this evidence, as their only incriminating evidence, it would be imperative that they submit
21 copies of this evidence that can survive applications of modern evidentiary law.
22

- 23
- 24 1) Submit the text and audio text transcripts created on January 26, 2011 that the jury
25 actually seen and heard of the March 8, 2009 interrogation.
 - 26 2) Submit all of the copies of the original copy made on November 23, 2010 of the
27 March 8, 2009 interrogation

THE HONOABLE JUDGE JAMES TAYLOR

13 If it pleases the court John Henry Yablonsky (PETITIONER) now moves this court for leave of court
14 pursuant to CCP 1952 CaEv 1286 for permission to submit to these records a compact malleable disc of audio
15 transcript for the March 8, 2009 interrogations for case DR1331036-07 H-85 100 On June 6, 2025 this court
16 authorized appointment of audio technician GS MEDIA LAB to perform tasks which would clarify to this court the
17 "INTERGRITY" of the peoples exhibit 49. It is necessary to file this with the court because it compliments
18 petitioner's prima facie argument which falls squarely upon proof the people of this state committed fraud upon this
19 court, the state of California and petitioners entire case file #FVI900518.
