RE: YABLONSKY V THE PEOPLE CASE # FVI900518
THE MURDER OF RITA MABEL COBB ON 9/20/85
DR# 1331036-07 (H100-85)
CONFESSION BY GREGORY RANDOLPH (WE TIP) AUGUST 6, 1988

I pray this letter finds you and your family well. It is my most sincere wishes that your wife is well. Science today can do amazing things. I hope they are beneficial to her illness.

My efforts for scott are genuine and productively in play. The gravity of his case succeeds that he "WILL" face difficulty from state parties.....as you have seen! My case is very much like his, and most recently I was invited back to the Superior Court, where a legal battle was lost due to blatant lies by the DA office, which have now recently been uncovered and (ADMITTED) by that office.

I believe we had an arrangement with regards to state bar complaints you requested, in exchange for services by you. I know that your family health issues take precedent, and hope that they get better through the science we have today.

My issue is simple, and what I require at this point can be navigated by phone calls, I would think. I need the affidavit and arrest warrant copies for Gregory Randolph who had been arrested for this crime stated above on August 17, 1988, eleven days after his confession was recorded through WE TIP.

Detective Polacios badge #P0108 was the arresting officer in that instance. The confession report was made on August 6, 1988 and assigned to detective Carr from the SBSB, who then assigned it to Homicide Detective Polacios who made an initial contact on August 11, 1988 where he determined the confession "CULPABLE".

Between August 11, 1988 and August 17, 1988 an affidavit was sworn by Polacios or another, for the arrest of Gregory Randolph which occurred on August 17, 1988. I now have;

- * The confession report
- * The "URGENT" request to process evidences by Polacios
- * Test results placing Mr Randolphs DNA at this scene
- * The transcripts from the interrogation on August 17, 1988 which indicate that Gregory Randolph was arrested for the murder of Rita Mabel Cobb DR#1331036-07(H100-85)

One would think this would be enough, but there is the need for the sworn affidavit by the arresting detective as well as the arrest warrant. As you know the affidavit will include incriminating findings by the detective.

Please do your part as I have done mine, and help me get this information. I can take care of the rest.

Thank you
John Henry Yablonsky
